RE: LETTER OF SUPPORT—2026 SS4A FUNDING TO RECONSTRUCT AND
IMPROVE A PORTION OF TECUMSEH ROAD AND A PORTION OF ROCK CREEK
ROAD FOR SAFETY

Honorable Secretary,

On behalf of Cleveland County Oklahoma, it is my pleasure to support the City of Norman for the Tecumseh Road and Rock Creek Road SS4A Grant Application. This project would fund improvements to Tecumseh Road between Hollister Trail and 24th Avenue NE as well as to Rock Creek Road between Queenston Avenue and 24th Avenue NE.

The improvement projects will benefit residents of both the City of Norman as well as those of Cleveland County. The projects will enhance connectivity, increase traffic safety, and provide multimodal improvements including bike paths, pedestrian sidewalks, and ADA compliance. The recently adopted ACOG Regional Safety Action Plan supports this infrastructure implementation project.

The improvements to these two roadways have received voter approval in Norman. The improvements area priority in the ACOG Long Range Transportation Plan “Encompass 2045” as well as in the City of Norman’s adopted Comprehensive Transportation Plan.

I am pleased to provide Cleveland County support for these important improvements and appreciate your consideration for the SS4A Grant Applications that will make these improvements possible.

Sincerely,
