NEITHER COMPANY, ITS PARENT, AFFILIATES, SUBSIDIARIES OR ANY OF ITS PARENT'S AFFILIATES OR SUBSIDIARIES SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES (INCLUDING LOSS OF DATA OR LOSS OF PROFITS) SUSTAINED OR INCURRED IN CONNECTION WITH THE INSTALLATION, DELAY OF INSTALLATION, OPERATION, MAINTENANCE, REPAIR AND CONTROL OF THE SYSTEM EQUIPMENT UNDER THIS AGREEMENT OR THE USE OR OPERATION OF THE SYSTEM EQUIPMENT OR SERVICES PROVIDED OR SOLD HEREUNDER. 6.2 No Special Damages. IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR SPECIAL, PUNITIVE, CONSEQUENTIAL OR INCIDENTAL DAMAGES, WHETHER OR NOT SUCH PARTY HAS BEEN ADVISED AGAINST SUCH DAMAGES OR SUCH DAMAGES COULD HAVE BEEN REASONABLY FORESEEN.

Customer must notify the VoIP provider of any change of address of the voice enabled advanced modem for E911 calling service to work properly. Customer agrees that, to the maximum extent allowed by law, Company shall have no liability for any damages caused, directly or indirectly, by Customer's inability to access VoIP Services, including 911/E911 services.

To the extent allowed under Oklahoma law, Customer agrees to defend, indemnify, and hold harmless the Company, its officers, directors, employees, affiliates and agents and any other service provider who furnishes Services to Customer in connection with this Agreement or the Service, from any and all claims, losses, damages, fines, penalties, costs and expenses (including, without limitation, reasonable attorney fees) by, or on behalf of, Customer or any third party or user of Customer account relating to the absence, failure or outage of the Service, including 911 dialing and/or inability of Customer or any third person or party or user of the Service to be able to dial 911 or to access emergency service personnel.

6.4 Outage Credits. Notwithstanding anything to the contrary in this Agreement, Company and Customer agree that, to the extent that any part or portion of the Services are interrupted (as defined below), Customer's sole and exclusive remedy shall be a credit allowance for Service interruptions as set forth in Section VIII below.

6.4 Deleted

6.5 No Liability for Third Party Service or Equipment. Company shall not be liable for any damages associated with any services, channels or equipment that it does not furnish, or for

any act or omission of any third party furnishing such service, channel or equipment, including, but not limited to, the Customer Equipment.

6.6 Assumed Responsibility. Customer shall be liable for any damages to System Equipment due to the fault or negligence of Customer or due to the failure or malfunction of Customer Equipment or facilities.

SECTION VII - INDEMNIFICATION

7.2 (a) Deleted

(b) Deleted

SECTION VIII - CREDIT ALLOWANCES

8.1 Allowances. Company will provide a credit on a service-by-service basis as set forth in 8.2 when any one or combination of Services is interrupted, except as specified at Section 8.3. An interruption occurs when Customer can no longer pass traffic on or over the Company Network. The interruption shall be deemed to have begun when the Customer reports an interruption in Service and a trouble ticket is open by Company and the interruption will be deemed to have ended when the affected Service(s) is restored and the trouble ticket is closed out by Company.

8.2 Interruptions Over 24 Hours. Company will provide a credit for any period of interruption lasting more than twenty-four (24) consecutive hours. Credit for interruptions over twenty-four (24) consecutive hours will be one-thirtieth (1/30th) of the MRCs for the interrupted services and facilities for each full twenty-four (24) consecutive hour period during which the interruption continues after notice by the Customer to Company. No more than one (1) full day's credit will be applied for any interruption period of twenty-four (24) consecutive hours.

8.3 Limitations on Allowances. Credits shall not be provided for interruptions (a) due to the negligence or willful act or omission with respect to the System Equipment or or noncompliance with the provisions of this Agreement by any person or entity other than Company, including, but not limited to, the Customer; (b) due to failure of power, equipment, systems, connections or services not provided by Company, including, but not limited to electric supply, heating, air conditioning at Customer's Premise(s) or the Customer Equipment or Systems; (c) due to circumstances or causes beyond the reasonable control of Company (Force Majeure as defined below); (d) during any period in which Company is not permitted full access to any of Customer's Property, Premises, facilities and equipment for the purposes of investigating and correcting interruptions; or (e) Service interruptions and outages caused as a result of a defect in the software, as released by the manufacturer.

SECTION IX - TERM

9.1 Term of Agreement. The term of this Agreement shall commence on the date of execution through June 30, 2027. The Agreement may be renewed annually by mutual agreement of the parties. Any requested modification of the Agreement shall require written notice and consent of parties.

9.2 Term of Sales Order. (a) Each Sales Order shall be effective on the date of final execution set forth therein. Unless terminated earlier as provided in this Agreement, the Services under a Sales Order commence on the in-service date and shall continue thereafter for the term set forth in the Sales Order (the “SO Term”).

(b) In the event that Company continues to provide Services after the expiration of an SO Term or the expiration of this Agreement, the relevant Services shall be provided on a month-to-month basis at Company’s then-current rates, as determined by Company, and in accordance with all other terms and conditions of this Agreement and applicable Sales Order.

(c) Notwithstanding subparagraph (b) above, upon the expiration of this Agreement, this Agreement shall be automatically extended to coincide with any SO Term in effect at the time that this Agreement expires, provided, however, the parties shall not execute any additional Sales Orders upon expiration of this Agreement until the parties have executed a definitive master agreement similar in form and substance to this Agreement.

SECTION X - TERMINATION

10.1 Suspension by Company. Company may discontinue or suspend any Services under this Agreement upon fifteen (15) days prior written notice to Customer in the event that Customer commits a material breach of this Agreement, including, but not limited to: (a) failure to pay any amount required for such Service under this Agreement when due, (b) engaging in any unauthorized use of Services, or (c) violation of any terms or conditions governing the use of Services.

10.2 Termination by Company. Company may terminate the Services under this Agreement or under any Service Order without liability to Customer, at any time: (a) upon five (5) days prior written notice to the Customer in the event that (i) Company has suspended such Services due to the material breach of the Customer (pursuant to Section 10.1 above) and (ii) such material breach has not been cured by the Customer within fifteen (15) days following the date of suspension; (b) upon five (5) days prior written notice (or such shorter period as may be required by law or regulation) in the event that Customer is using the Services to violate any law or regulation or Customer fails to provide Customer Equipment compatible for Company to deliver the Services; or (c) upon ninety (90) days prior written notice to Customer (or upon such lesser notice as may reasonably be available to Company) in the event that Company or its parent, affiliates or subsidiary does not retain the necessary authority, license, permit or permission necessary to provide and deliver the Services to Customer.

10.3 Liability for Early Termination. In the event that Company terminates Service pursuant to Section 10.2(a) or 10.2(b) above, Customer shall be subject to the payment of the early cancellation/termination charges set forth below.

10.4 Cancellation/Termination by Customer. Customer may cancel or terminate Services for cause or without cause on fifteen (15) days prior written notice to Company. (The term “for cause” as used herein shall mean the breach by Company of a material term of this Agreement; provided, however, that Company shall not be deemed in breach of this Agreement unless and until Customer has given written notice of such breach and Company shall have failed to cure the breach within thirty (30)

days after receipt of Customer’s notice.) In the event that Customer cancels or terminates Service for cause, Customer shall not incur early cancellation/termination charges. In the event that Customer terminates Service without cause (any reason other than for cause as defined herein), Customer shall be subject to the payment of the early cancellation/termination charges set forth below.

10.5 Early Cancellation/Termination Charges. The rates and discounts set forth in each Sales Order are based on the Customer’s agreement to purchase Service for an entire SO Term. If Company terminates Service pursuant to Section 10.2(a), 10.2(b), or if Customer cancels or terminates Service without cause pursuant to Section 10.4, the following early cancellation/termination charge applies: Customer will be invoiced and agrees to pay Company a charge equal to the total cost incurred by Company for installation of the services minus any previously assessed installation fees. Such payment shall not exceed an amount equal to one hundred percent (100%) of the MRCs for all remaining months of the SO Term beyond the effective termination date unless otherwise agreed in the Sales Order, such amounts to constitute liquidated damages and not a penalty.

10.6 Unpaid Amounts. Nothing in this Agreement relieves the Customer from liability for payment of any unpaid NRCs, as well as, applicable MRCs for Service rendered by Company prior to the suspension or termination of that Service, as the case may be. Further, the Customer will continue to be liable for payment of Services that have been suspended by Company but not terminated in accordance with this Agreement.

10.7 Other Remedies. Company remedies under this Agreement as described herein are cumulative and not exclusive. In addition to the remedies set forth above, Company, in the event of Customer default under this Agreement, shall have the right to take appropriate action to collect amounts due.

SECTION XI - INSOLVENCY

11. Insolvency, Bankruptcy, Receivership. If Customer: (1) makes an assignment of property for the benefit of creditors, (2) files a voluntary petition under any bankruptcy or insolvency law, (3) is subject to a third party filing in an involuntary petition alleging an act of bankruptcy (and in the event of an involuntary petition, such petition is not dismissed within thirty (30) days of filing), or (4) has a permanent receiver of or for Customer’s property or assets appointed, then Company at any time after receipt of notice of the occurrence of any such event, may give notice of termination, and upon the expiration of thirty (30) days from the delivery of said notice to Customer, terminate the Service and this Agreement. If Company terminates this Agreement due to the Customer’s insolvency, the Customer shall be subject to Sections 10.5 and 10.7 hereof.

SECTIONS XII - USE OF SERVICE

12.1 Authorized Uses of Service. The Services are available solely for Customer’s own use in transmitting and receiving communications. To the extent that Company provides access to the Internet in connection with its Services, Customer agrees to read and be bound by Company’s Terms of Service and Acceptable Use Policy as posted on Company’s website, as may be amended from time to time, at Company’s sole discretion, with or without notice to Customer.

12.2 Unauthorized Uses of Service. Customer shall not utilize, nor shall it knowingly permit any third party to utilize, the Services for (a) any unlawful use, including, but not limited to, the transmission of any material in the violation of any federal, state or local law or regulation; (b) so as to interfere with or impair Service over any of the facilities and associated equipment comprising the Company network and System Equipment; (c) the transmission of any defamatory content; or (d) so as to impair the privacy of any communication over the fiber optic facilities and associated equipment of Company. Furthermore, Customer is prohibited from selling or reselling the Services, in whole or in part, either directly or indirectly, on an integrated or unintegrated basis, to any third party.

SECTION XIII - MISCELLANEOUS

13.1 Notices. All notices, demands, requests or other communications given under this Agreement shall be in writing and shall be given by personal delivery, mail, telecopy or overnight courier service. Notice given by mail shall be considered to have been given three (3) days after the date of mailing, postage prepaid, certified or registered mail, and notice given by other means shall be considered to be given when received as follows:

If to COMPANY:

OEC FIBER

2520 Hemphill Drive

Norman, OK 73069

Norman, OK 73069

or to such other address as either Company or Customer may from time to time designate by providing at least thirty (30) days prior written notice in accordance with the provisions set forth in this Section.

13.2 Force Majeure. Company shall not be liable for any delay, failure of performance or equipment, damage, or any consequence caused by, or due to acts of God, fire, flood, explosion, or other catastrophes; acts, delays, or omissions of third parties, any law, order, regulation, action or request of the OEC Fiber States Government, or of any other government, including state and local governments having or claiming jurisdiction over Company, or of any department, agency, commission, bureau, corporation, or other instrumentality of any one or more of these federal, state, or local governments, or of any civil or military authority; national emergencies; insurrections; riots; wars; act of terrorism; unavailability of rights-of-way or materials; or strikes, lock-outs, work stoppages, or other labor difficulties, or any other cause beyond its control, and any requirement for performance by Company shall be extended until such force majeure event can be resolved. If such cause continues for ninety (90) days or more, Customer may submit written notice to Company canceling any Sales Order for services not yet delivered.

13.3 Entire Agreement. This Agreement, along with all Sales Orders, which shall be appended hereto from time to time and incorporated herein by reference, represents the entire understanding between Company and Customer, and shall not be amended except by an agreement or amendment in writing signed by both Parties. This Agreement shall supersede and replace all previous and contemporaneous negotiations, proposals, commitments, representations, understandings and writings written and oral.

13.4 Choice of Law. This Agreement shall be governed by the laws and regulations of the State of Oklahoma. Any action or proceeding brought to interpret or enforce this Agreement shall be brought in a court of competent jurisdiction located in the State of Oklahoma in the District Court of Cleveland County, Oklahoma.

13.5 Survival. The obligations of the Parties under this Agreement, that by their nature continue beyond the expiration of this Agreement, shall survive the expiration or earlier termination of this Agreement.

13.6 Assignment. Customer may not assign or transfer any right or obligation under this Agreement without the prior written consent of Company. Any attempted assignment in violation of this Section 13.6 shall be void.

13.7 Succession. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, executors, administrators, legal representatives, successors, and assigns.

13.8 Saving Clause. If any term, covenant, or condition of this Agreement or application thereof to any person or circumstances shall to any extent be invalid or unenforceable, the remainder of this Agreement, or the application of such term, covenant or condition to person or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant, or condition of the agreement shall be valid and be enforced to the fullest extent permitted by law.

13.9 Waiver. The failure of any Party at any time to enforce any right or remedy available to it under this Agreement with respect to any breach or failure by the Party shall not be constructed to be a waiver of such right or remedy with the respect to any other breach or failure by the other party.

13.10 Deleted

13.11 Customer Proprietary Network Information ("CPNI"). Customer agrees that Company may release to Customer's representatives call detail, billing information and other CPNI, as defined at 47 USC §222(h)(1), associated with the Services without establishing a password for authentication purposes. Customer agrees that Company may rely, in lieu of a password, on the use of account information (including, but not limited to, account number, billing address, contact name(s), and identification of Services) and other commercially reasonable processes to authenticate Customer's representatives who contact Company's dedicated account representative(s) to request CPNI. Customer acknowledges that this alternative authentication regime is for Customer's convenience, and, if Customer elects not to require the use of a password, Customer assumes the risk of inadvertent or unauthorized disclosure of CPNI and agrees to indemnify, defend and hold Company harmless in the event of any such inadvertent or unauthorized disclosure. Customer has a right, and Company has a duty, under federal law to protect confidentiality of CPNI. Customer may request that Company implement password protection for Customer's CPNI at any time upon written notice. Customer further acknowledges that Company, its agents and its affiliates that provide communications-related services may access, use and disclose Customer's CPNI to market communications-related services to Customer, unless and until Customer "opts-out" as provided in the annual Company Customer Privacy Rights Notice.

13.12 No Third-Party Beneficiary; Disclaimer of Agency. This Agreement is for the sole benefit of Company and Customer hereto, and nothing herein express or implied shall create or be constructed to create any third-party beneficiary rights hereunder. Nothing herein shall constitute either party as a legal representative or agent of the other Party, nor shall a Company or Customer have the right or authority to assume, create, incur any liability or any obligation of any kind, express or implied, against or in the name or on behalf of the other Party, unless otherwise expressly permitted by such other Party in writing.

13.13 Authority. Each Party warrants that it has full authority to enter into this Agreement and that such action has been duly authorized in accordance with the Party's articles of incorporation, by-laws or other applicable organizational documents and procedures.

13.14 Captions; Sections; Terms in the Attachments. Captions contained herein are inserted only as a matter of convenience and in no way define, limit, or extend the scope or intent of any provision hereof. Use of the term "Section" shall include the entire subject Section and all its subsections where the context requires. All capitalized words in the Attachments shall have the same meaning as used in the Agreement document, unless otherwise indicated.

13.15 Construction. In the event of a conflict between the terms of a Sales Order and the terms of this Agreement, the terms of this Agreement will take precedence and control over the conflicting term in a Sales Order.

13.17 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of such counterparts shall constitute one and the same instrument. The Parties also agree that this Agreement shall be binding upon the transmission by each Party of a signed signature page thereof to the other Party via electronic means (including facsimile), and such signatures shall have the same force and effect as original signatures.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives as of the Effective Date.
