County Clerk

Tort Claim

To Whom it may concern,

My name is Debbie Kidd, I'm writing this letter to inform you that on April 15, 2026 I received a phone call from Deputy C. Findley informing of the incident that took place at my home. Shane Staurd was driving the company work truck to pave our road through Cleveland County and somehow went down into our driveway running into our 2015 Chev. Silverado 2500 HD causing the truck to then run into our Garage door on our shop. After speaking to Deputy Findley, he informed me that Cleveland County is responsible for the repairs and for me to get the estimates and turn them into Cleveland County Tort Claims department. I am providing the estimates along with photos of the damages to this letter. I would like for you to consider this an urgent matter so our garage door can get fixed and back to proper working order in a timely manner. We use the door for multiple things such as pulling our cars into the shop to get fixed, or to get them out of the inclement weather.

Estimate based on MOTOR CRASH ESTIMATING GUIDE and potentially other third party sources of data. Unless otherwise noted, (a) all items are derived from the Guide DR1GH15, CCC Data Date 04/16/2026, and potentially other third party sources of data; and (b) the parts presented are OEM-parts. OEM parts are manufactured by or for the vehicle's Original Equipment Manufacturer (OEM) according to OEM's specifications for U.S. distribution. OEM parts are available at OE/Vehicle dealerships or the specified supplier. OPT OEM (Optional OEM) or ALT OEM (Alternative OEM) parts are OEM parts that may be provided by or through alternate sources other than the OEM vehicle dealerships with discounted pricing. Asterisk (*) or Double Asterisk (**) indicates that the parts and/or labor data provided by third party sources of data may have been modified or may have come from an alternate data source. Tilde sign (~) items indicate MOTOR Not-Included Labor operations. The symbol (<>) indicates the refinish operation WILL NOT be performed as a separate procedure from the other panels in the estimate. Non-Original Equipment Manufacturer aftermarket parts are described as Non OEM, A/M or NAGS. Used parts are described as LKQ, RCY, or USED. Reconditioned parts are described as Recond. Recored parts are described as Recore. NAGS Part Numbers and Benchmark Prices are provided by National Auto Glass Specifications. Labor operation times listed on the line with the NAGS information are MOTOR suggested labor operation times. NAGS labor operation times are not included. Pound sign (#) items indicate manual entries.

Some 2024 vehicles contain minor changes from the previous year. For those vehicles, prior to receiving updated data from the vehicle manufacturer, labor and parts data from the previous year may be used. The CCC ONE estimator has a list of applicable vehicles. Parts numbers and prices should be confirmed with the local dealership.
